Bowls Committee
Knockout Rules

Introduction

It has been felt necessary by the Bowls Committee to produce club rules to cover knockouts because of the number of people failing to turn up for their scheduled games. Attempts to re-arrange games after the dates set, without prior reference to the Bowls Committee, is also of concern.

Everyone is asked to please read and adhere to these rules.

Rules

Entry fee for each knockout entered will be £2.00.

Singles players named first in the draw are responsible for finding a marker for their match/matches. Markers will be provided for Finals only.

Dress – Grey and white/team colours. Finals whites/team tops.

All games to be played at the time and date scheduled wherever possible. If it is necessary to re-arrange because of holidays or prior engagements then games are to be played **PRIOR** to the date only. A rink should be reserved and entered in the office book.

Any player or team conceding a game to their opposition should pay their rink fees, as well as those of their opponents, promptly and without a reminder having to be sent.

Any variance to these rules should be addressed to the Bowls Committee in writing for a ruling.

G. I. B. A. WINTER COMPETITION GUIDANCE NOTES

Note 1. This league will play to 21 ends or the bell.

Note 2. New members, Learners, or occasional players welcome. The precise format of this umbrella league will vary depending upon the number of players who turn up each week.

Note 3. This league may play some games on Tuesday if we can not accommodate the games on Monday due to the level of entries.

Note 4. Learners welcome. Entries will be accepted either of named pairs or on a single basis to be paired up by the Selection Committee. **This league will be played at 2.10 only.**

[note 5 deleted].

Note 6. Premier Division matches will be scheduled for Tuesdays at 6.30 p.m. and be played to full open rules and be of 18 ends with no time limit. Individual members of a Premier Division team may play in the Wednesday or Thursday leagues, but with restrictions, see note 7.

Note 7. Wednesday & Thursday leagues will operate at 6.30 p.m. and be of 16 ends or the bell. Any member may enter for one Wednesday and/or one Thursday league team. **Only one member of a Premier Division team may play in any one game for a Wednesday or Thursday evening league team.**

Note 8. In this competition the leads play two bowls alternately and then the skips play two bowls alternately followed by the leads playing their remaining bowls and finally the skips.

[notes 9,10 deleted].

Note 11. This league will be played to open rules at 8.40 p.m. only and be of 16 ends but **with a two hour time limit.** If the end is killed the jack will be replaced on the nearest side spot.

Note 12. The winners of the singles titles will qualify for their respective WIBC championships. Should the winners be unable to participate, the selection committee will nominate alternative players. Because of nomination deadlines, this competition will be scheduled to complete by the end of November. Games will be played to WIBC rules of two sets plus a tie break. The number of entries will determine the format, which **will not** normally be a straight knockout.

Note 13. This competition is restricted to men and ladies who are Guernsey resident. The winners will play off against the Jersey winners in **January** and those winners will be invited to represent the Channel Islands in the British Isles International Indoor series. Should the winners be unable to participate, the organising body will nominate alternative teams (normally the runners up and so on).

Note 14. This competition is open to all members who have never won a singles competition.

Note 15. The highest placed competitor who is **under 25** on **30th April 2011** will qualify for the WIBC Under 25 World Junior Championships in November 2010. It is expected that these will be held in England. All entrants must ensure that they would be able to travel to the championships should they qualify.

Note 16. This competition is open to any **mixed gender** combination including Grandparents, Parents, Sons or Daughters and in-laws (except married couples) of any age.

Note 17. These competitions will be played to open rules with no time restriction.

Note 18. Target pairs is a novel form of bowls with the emphasis on drawing skills. Players have two bowls each in lead and skip order as normal but play to a target, not a jack. Best of 5 sets, 5 ends per set.

Note 19. This competition is open to **any family combination** including married relations and in-laws, but excluding married couples.

Note 20. This league will be limited to 2 hours. Each player will receive an individual handicap by the Selectors, which will allow additional team players to be used, provided notice is given. Last-minute substitutes without a handicap will be deemed 'scratch' players. The team handicap for each game will be determined by adding the handicaps for each player.

General Rules

- 1) In time-limited matches, if the jack is initially delivered in default, both the jack and the mat may be replaced at any legal position by the opposing team.
- 2) In the WIBC qualifiers only, the winner of each end has the option of delivering the jack or giving the jack away to the opponent.
